

Rounds Description

Open House (Saturday, Aug 27th): Open House rounds are the first rounds of Primary Recruitment. You will have short conversations with members for each chapter. This is a great time to get to the basics of each chapter and their values.

First Invitational (Sunday, Aug 28th): Be yourself! The second round of events offers a better opportunity to get to know the chapters and gain better insight into each chapter's sisterhood. This round you will be introduced not only to their sisterhood but also their philanthropy. There are up to 14 events in this round. Be sure to look for certain qualities and values that you want in a sorority

Second Invitational (Saturday, Sept 3rd): During the third round of events, you will have the opportunity to connect on a deeper level with women. There are up to 8 events in this round. The sorority women should be able to help answer questions about sorority life by sharing personal stories and feelings about their experiences.

Preference Round (Sunday, Sept 4th): This is the last round of events. There are up to 2 events in this round. These events are more serious, and most chapters will have a ritual ceremony. It is during this round that the sorority women will reveal to you what brought them to their chapter. It is a special day for you as well as the sorority sisters.
